They had wanted to use the song as a way to gain a better understanding of the character and what she would be like if she was no longer living in fear, which ultimately resulted in her becoming much more complex. [31]. while Menzel added that she was also struggling with her potential to be "a strong, powerful, extraordinary woman". [21]. The Snow Queen character, neutral but cold-hearted in the original fairytale and villain in numerous adaptations of the character, proved difficult to

adapt to film due to her transparent depiction. Several film executives, including Walt Disney, attempted to build on the character, and a number of scheduled film adaptations were shelved when they could not work out the character. Buck and his co-director, Jennifer Lee, were ultimately able to solve the dilemma by depicting Elsa and Anna as sisters. As much as Anna's struggle is external, Elsa's is internal. This led to Elsa being gradually rewritten as a sympathetic, misunderstood character. In the final version, Elsa creates a single giant snow creature that Olaf nicknames "Marshmallow" to act as a guard after being branded as a monster for her powers. [15]. I know I'm in the minority here but I don't really understand why people are mad about this short. I went into Coco not knowing this was the short ahead of it and I enjoyed the whole thing. Obviously people are entitled to their own opinions but I found this inoffensive and sweet like the rest of Frozen. It came a few years after the over saturation so it wasn't annoying to me. Also I didn't even realize how long the short was, it felt normal short length for me (10 minutes max).
